Payments of up to EUR 50 may be made in cash with the Office. When the total amount of services rendered is less than EUR 50, the bill is sent to the customer together with the results of the service. When it exceeds this amount, the Office invites first the customer to pay the amount due and only gives the results of services rendered after the payment has been made in full. The search and information services listed above shall not be binding for the Office when deciding on administrative matters relating to the granting of patents and registration of trademarks, industrial designs and geographical indications. The Office shall not guarantee the completeness of any information given and shall assume no responsibility in this respect.
